

Statement of Intent.

Adenstar Developments Ltd. recognises the importance of ensuring that the Health, Safety and Welfare of its employees and other persons other than its employees (general public, visitors and sub-contractors) is not compromised by the undertakings of the company. Consequently, it shall put in place measures to reduce the risks 'so far as is reasonably practicable'.

The company is committed to ensuring a high standard of safety on its sites and shall ensure that its sub-contractors are equally competent and committed.

The Chairman recognises the statutory duties that are imposed upon him by the Health and Safety at Work Act etc. 1974 and the Management of Health and Safety at Work Regulations 1999 and other relevant Legislation and Statutory Instruments.

The Chairman shall ensure that adequate resources are made available to:

- Provide Safe Plant and Safe materials and ensure that the company performs its undertakings in accordance with a safe system of work.
- Ensure that Hazardous substances and materials are stored, transported and handled safely.
- Provide sufficient instruction, information, training and supervision.
- Provide a safe place of work together with good access and egress.
- Provide a healthy working environment along with adequate welfare facilities.

The company recognises the concept of consultation with its employees on Health and Safety matters and maintains an 'open door' policy for all Company employees to address such issues.

The Chairman shall appoint competent persons to assist him in his legal obligations and if required seek guidance and advice from external sources.

This policy is to be prominently displayed in all Adenstar Developments Ltd. workplaces and is to be monitored on an annual basis.

Signed:  Date: 9th February 2006

Derek Chapman
Company Chairman.
